

Hospitality Concepts

by INMAN Design

Transcending Spaces through Narrative Fabrication.

We don't just design objects; we create landmark experiences. Our studio bridges the gap between industrial precision and artistic vision, transforming high-end hospitality environments into extraordinary havens through innovative volumetric fabrication

Outdoor & Poolside Landmarks

Sculptural Furniture & Exterior Icons.

Engineered for resilience and high-impact aesthetics. Utilizing advanced coatings and marine-grade finishes, our outdoor pieces are designed to withstand the elements while maintaining a sophisticated, organic presence in poolside and garden settings
